Precision Air Drilling Services

Do you know our industry ?

Do you want to be part of a team that values you and your contribution ?

Precision Air Drilling and it's Group of companies is always looking for people with the knowledge and skills needed to be part our team. If you have 2 or more years experience in Air Drilling & 3 or more in a related industry than we might be looking for you !

If you want to learn more and improve your skills & increase your knowledge, than we can provide a situation and an opportunity for you. Here at our Precision Group of companies we are always expanding outwards into the future. We are very family structured group of professionals working together for the benefit of the whole company.

We can offer you a future in the OIL & GAS or Pipeline Commissioning industry. We offer competitive pay for seasoned professionals with a professional record of safety & performance. Make no mistake that we can offer you an excellent career, we will not accept anything less than your best in performance and safety because this is our nature and the nature of our clients.

We are always ready to take a good look at your skills, knowledge, experience, level of professionalism, and ability to be part of a team. So if you believe you have what it takes to be part of one of the best teams on the planet, than you should contact us and let us know that you're our kind of people.

It is the policy of the **Precision Air Drilling Services** and the **Precision Group** to maintain a working environment free of all forms of unlawful discrimination.

Equal Opportunity

Precision Air Drilling Services and the **Precision Group** affords equal opportunity to all employees and prospective employees without regard to race, color, sex, gender, sexual orientation, religion, age, marital status, disability, veteran status or national origin or other criteria protected by law...
